Dear Michael:

Please be advised the purpose of this communication is to say "CONGRATULATIONS" on your participation in the anti-drug coloring contest held at Neptune Towers.

It is so important to educate society about the evils of substance abuse in general and drugs in particular. I commend you for your efforts. I am sure as you get older and further your education, you will be a role model for others in leading the fight against drugs.

Again, my congratulations on your hard work.

Sincerely,

A handwritten signature in cursive script that reads "Chip Clancy".

EDWARD J. CLANCY, JR.
