To Whom it may concern;

Re: Mikhail Tank

I, Larry Lee Litke, am a retired county attorney. I have known Mikhail Tank, age 42, for almost two years. I believe he is honest and reliable, and productive. Moreover, he is imaginative and creative. His talents include acting, writing, and poetry. He can give you examples of this. He also has a podcast with several thousand followers. He starred in a TV movie with Isabella Rossellini, daughter of Ingrid Bergman. I wish I had such talent.

Mikhail came to America from Russia at age 8 with his parents, fleeing communism. His father was a physicist in the USSR and became a lawyer in America. Mikhail inherited his father's brilliance. I predict that Mikhail, a talented and gifted person, will succeed with éclat at whatever he does. Any employer would be lucky to have him. He is capable, competent, and able, as well as dependable and trust worthy. In short, a good man.

Sincerely,

Larry Lee Litke, Attorney
